Rate Restoration (RR) Announcement

Dear Valued SITC Customers

First of all, we would like to express our sincere thanks for your kindly attention and support to our service so far.

Due to high operation cost, we would like to update that we will apply Rate Restoration (RR) for all outbound shipments from HCM to JAPAN ports as below:

POL/POD	: Ho Chi Minh/ Japan ports
Standard	: USD50/20' & USD100/40' for both dry & reefer cargo
Payment term	: Prepaid at HCM

The R/R will be added on top of existing applicable ocean freight rates.

The above tariff of RR applicable from **1st December *2021*** based on ATD at POL (Port of Loading)

Thank you for your kind understading and good cooperation

Best regards
